REQUEST FOR CORRECTED FILING RECEIPT

The Assistant Commissioner for Patents
Application Processing Division
Customer Correction Branch
Washington, D.C. 20231

Sir:

On the Filing Receipt that we have received for the above-referenced patent application, the first name of the second inventor is spelled incorrectly as "Rayinder". The correct spelling is "Ravinder".

In addition, in the Continuing Data portion of this Filing Receipt, the Patent Office has not recorded all of the patent applications to which this case claims priority.

Under "Continuing Data as Claimed by Applicant", after the last application currently recorded, the following prior applications should be added:

WHICH IS A 371 OF	PCT/GB93/02070	10/06/93
WHICH IS A CIP OF	07/958,248	10/08/92 ABD.

A copy of the Filing Receipt with the corrected spelling of Ravinder Maini's first name and with corrected Continuing Data is enclosed for the convenience of the Patent Office. Also enclosed are copies of the first page of the Fee Transmittal Letter and the Declaration, each with the correct spelling of Ravinder Maini's name and the correct priority data.

Please correct the spelling of Ravinder Maini's first name and add the missing priority data for this application in the Patent Office records and issue a Corrected Filing Receipt showing that these corrections have been made.

Respectfully submitted,
